For transportation, customs clearance and drayage services quote, Mexican or worldwide exhibitors who send goods to our warehouse in Naucalpan, Estado de Mexico or exhibitors shipping from the US and Canada and worldwide through the US as first port of entry must send the following information via e-mail to jpelcastre@mtinter.com.mx, dmartell@mtinter.com.mx, vrodriguez@mtinter.com.mx, armacias@mtinter.com.mx, lperezvera@mtinter.com.mx and horozco@mtinter.com.mx

- [Shipping Label](#)
- [Return Form](#)

Please be aware that if you ship directly to the show and you want us to handle the return of your goods, you need to provide us with the temporary customs form which the products were exported from the US. Otherwise, you will have to pay duties and fees when these products return back. Also, we strongly advice exhibitors do not to send their products with shipping companies such as DHL, FEDEX and UPS because delivery schedules may be jeopardized and sometimes the shipment cannot leave customs on time for the exhibition. Therefore we highly recommend letting us do the pickup of your exhibit products or you can send them directly to our warehouse so we can handle all the necessary paperwork to clear customs and not pay duties when you return your products from the show.
